3. From the Engineer-in-Chief, Polavaram Irrigation Project, Dowlaiswaram, Lr.No.ENC /PIP/ DCE-2/ OT2/ AE2/ PLIS/ Misce, dated: 05.05.2018.

O R D E R

In the reference 1st read above, the General Manager(c), Vizag, Indian Oil Corporation Ltd.,(IOCL), Paradip - Hyderabad Pipeline Project, Vijayawada has requested the Government to expedite the process of according permission for laying pipeline across the water bodies in the State of Andhra Pradesh for transportation of petroleum products from Paradip Refinery in Odisha to Hyderabad Telangana. The proposed pipeline traverses six districts in Andhra Pradesh i.e. Srikakulam, Vizianagaram, Visakhapatnam, East Godavari, West Godavari and Krishna.

2. In G.O.Rt.No.45, Water Resources (Reforms) Department, dt:22.01.2018, Government have accorded permission to IOCL for laying the Pipeline of IOCL crossing the PIPLMC, Surampalem Reservoir Project and Pushkara canal at various locations as mentioned in the G.O. Now the IOCL authorities requested to accord permission for laying underground petroleum product pipeline by crossing the Purushothapatnam Lift irrigation scheme stage-2 Pressure main @ km.4.300 also near Gollagunta (v) Jaggampeta (M) of East Godavari district.

3. The Engineer-in-Chief, Polavaram Irrigation Project, Dowlaiswaram in the reference 3rd read above has recommended to accord permission to IOCL for laying of underground Petroleum product pipe line with OFC (Optical fiber cable) across Purushothapatnam L.I.scheme stage-II pressure main in Gollalagunta (v) Jaggampeta (M) of East Godavari subject to fulfilment of the following conditions :

3(a) Conditions:

1) The permission is subject to the condition that the Design / Drawings formulated by the IOCL, for the subject works are to be approved by the competent authority of this department. The work of every crossing shall be started / grounded after getting such approval.

2) The lOCL should take care that the pipeline should not cause any hindrance to the free flow of canal at any stage.

(PTO)

3) The IOCL has to pay the lease amount of Rs.2500/- (Rupees two thousand five hundred only) for each crossing on Purushothapatnam Lift Irrigation Scheme stage-2 Pressure main canal crossings per year.

4) An approved copy of estimate of the subject works shall be submitted to the department before starting of the work.

5) Due to future improvement or repairs or for any other purpose of the department, if the pipe line causes hindrance and is to be removed or suitably modified/shifted or re-laid, the IOCL shall carry out of that work at their own cost within the time frame stipulated by the department and the IOCL should not ask for any compensation on this account.

6) The IOCL shall take an insurance cover for indemnifying Resources Department against any loss which may be caused to the canal works during the construction stage of petroleum pipe line crossing. The insurance cover shall be taken as directed by the Water Department prior to the execution of the crossing works and shall be valid till one month after completion of the work.

7) Subsequently if any damage is caused to the canal during lOCL construction/Maintanance/inspection activities the cost of repair and damages shall be borne by the IOCL.

8) The IOCL shall be responsible for the preservation of the essential service of any other accident to the property personnel from injury of damage what so ever arising due to leakage, burst to the pipeline. The IOCL shall make good such damage or reimburse to the Water Resources Department for such loss due to damage in full as assessed by the Water Resources Department.

9) The IOCL shalt ensure that all constructions / repairs / maintenance works of their petroleum pipe line are carried out with the prior approval of the Water Resources Department whose instructions shall be binding on the IOCL for carrying out such constructions / repairs / Maintenance etc,. The pipe line repairs /maintenance works will be allowed only during closure period of the canal. The pipeline shall be used for the purpose for which the permission has been granted.

10)During execution, maintenance and operation of the canal works, if required the Water Resources Department shall have the right to execute any work, movement of heavy machinery and dismantling any other structures in carrying out construction/maintenance activities over the petroleum pipeline. However, the Water Resources Department will intimate the IOCL about such activities well in advance. lf any damage caused to the pipeline due to the above activity the Water Resources Department is not responsible and it is @ IOCL's own risks and costs.

11)The pipe line works may be carried out without giving scope to hindrance to the works being carried out by Water Resources Department at various locations of Purushothapatnam Lift Irrigation Scheme stage-2 Pressure main.

12)IOCL should take the responsibility to restore all the irrigation systems to their original standards at their own cost and responsibility while laying this petroleum pipe line.

(Continued…p.3)

13)The IOCL should carry out their work only in the presence of the designed engineer of the Water Resources Department and the agency's technical personnel and shall pay supervision charges @ 12.5% of the cost of the crossings including material and construction cost which shall be deposited well in advance by D.D in favor of APAO/W&P/Kakinada under intimation to the Department.

14)An undertaking for the safety of the petroleum products pipeline and to ensure no leakages to avoid pollution of irrigation canal and drinking water which passes through the canals is to submit to the department before starting of the work.

15)lOCL should deposit an amount of Rs.10 lakh (Rupees ten lakh only) as deposit with the departments in favor of APAO/W &D/Kakinada for each crossing for restoration of damages if any occurred to the property of the department during/after laying of the pipeline. The amount of deposit is refundable after completion of the work to the satisfaction of irrigation authorities.

16)The Right of Cancellation reserves with Water Resources Department only.

4. Government, after careful examination of the matter, hereby accord permission to the M/s Indian Oil Corporation Ltd. (IOCL) for laying 16" dia, Petroleum Product pipeline along with 3.5" with Optical Fiber Cable (OFC) as part of Paradip - Hyderabad pipeline project (PHPL) across Purushotha patnam Lift Irrigation Scheme stage-II pressure main @ Km.4.300 also near Gollalagunta (v), Jaggampeta (M), East Godavari District subject to the conditions mentioned at para 3(a).

5. The Engineer-in-Chief (Irrigation), Water Resources Department, Andhra Pradesh, Vijayawada and the Collector & District Magistrate of East Godavari district shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
